*Review: Great story-telling! Easy to read historical account of a well-known period but a completely unknown subject: Ottoman in the Indian Ocean and how the Ottoman position against the Portuguese informed, not only strategic geographic strongholds but also leadership transitions within the Ottoman State. The parts I enjoyed the most were specifically about...*

*Description: In 1517, the Ottoman Sultan Selim the Grim conquered Egypt and brought his empire for the first time in history into direct contact with the trading world of the Indian Ocean. During the decades that followed, the Ottomans became progressively more engaged in the affairs of this vast and previously unfamiliar region, eventually to the point of launching...*
